

Windsor Maine Fairgrounds

NORTHEAST

2011 LIVESTOCK EXPO

May 20, 21, 22

Your generous gift will be used to print programs and the grounds map for the 2011 NORTHEAST LIVESTOCK EXPO.

We continue to grow each year, and work to make the expo a self supporting event. But as we struggle through these growth stages, we find new expenses along the way.

The hand-out flyers we designed last year are a useful tool to our visitors, as we strive to encourage interest from the general public to our event.

We will proudly display your name on the program designating which highway you have adopted.

Please make checks out to Northeast Livestock Expo and mail this form with payment to:

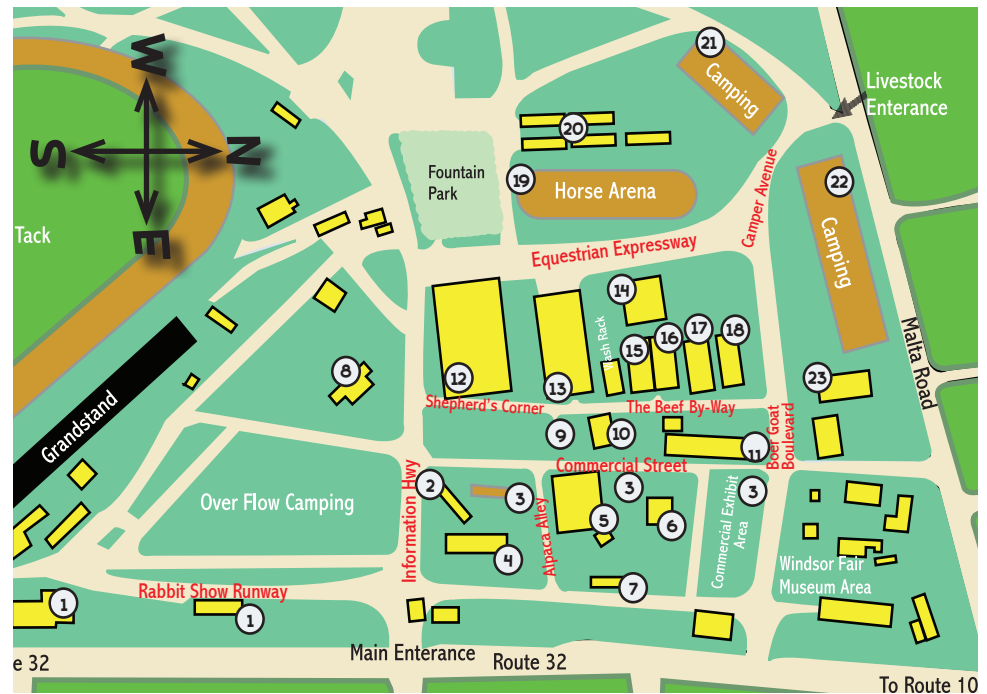

Kim MacKay:
 174 Norridgewock Road
 Fairfield, ME 04937
